

Le Rosé *x* Giscours

Vintage 2024

Le Rosé x Giscours: a confidential and exclusive cuvée

Our team meticulously selected one of our plots that has been traditionally reserved for the production of Château Giscours, our Grand Cru Classé, and dedicated it to our Rosé x Giscours 2024. This choice was guided by our desire to constantly keep improving the quality of our wines.

The Cabernet Sauvignon grapes harvested from this plot on our historic terroir were picked on September 23rd at the first light of dawn and then immediately taken to the press while still fresh. Only the first and most qualitative press juices were selected to ensure freshness and delicacy.

Throughout the making of this Rosé, our technical team worked diligently to preserve its aromatic profile, its freshness, and to develop a beautiful mid-palate texture, resulting in a refined and precise wine.

Le Rosé x Giscours 2024 stands out with its brilliant color, aromas of ripe peach, and a luscious, vibrant palate. An exceptional gastronomic rosé, combining elegance, roundness, and radiant energy.
